## The CEO Speaks!

(Believe it or not, he's keeping it brief! For him!...Brain death I think.)

**CAST A SHADOW IN THE SUN:** I must start this by sending heartfelt THANKS! to the South Florida Mustangs and especially the CASTA SHADOW Committee and staff for a job well done. This year's convention in Mia-a-a-amia was outstanding! They even managed to find facilities with sufficient air conditioning to handle all that lovely humidity ("a moisturizing facial for the entire body ..."). Everything seemed to go very well, start to finish. And not only were there numerous educational workshops for us, but we seemed to be quite educational for the many other guests at the hotel ("fashion statements" in areas they didn't even know existed). A good time was had by all!! Thanks, Florida, and more on this later!

Meanwhile, back in Sacramento ... what's going on around here? Well, to describe our Summer best, "don't stop, don't slow down." Pay attention here — there's a lot going on.

June 8th — Gone and Done, but did we have FUN or what? Joe

Kula put a few of us through some work during the workshops, I tell ya! I was a little disappointed in the turnout for each of these workshops — about a square and a half each time — but those attending had a great time! (and learned a few calls for the next level — so there!). The hoe down was GREAT! Joe brought over a square of his "groupies" from Sacramento Singles as well as his wife, Judy, all again dressed in enviable crinolines for the occasion (and good to see you again, Judy!). Also attending were members from Western Star Dancers, Foggy City Dancers, El Camino Reelers, and Prime 8's. It was great to see so many friends there! We also managed to raise about \$80 for Hope House through the 50/50 (which Kas won). Thank you all!!

June 15 — Freedom Fair in Sacramento: For those "officially" signed up — don't forget to show up! For those who want to "fill-in" and help out — come on over! McKinley Park starting at 10M. (Set up at 9A.M.) Let's support this!

(Don't forget Portland's Fly-In, June 14-16 — That'll be loads of fun for those who can get there!)

June 22nd — Potluck in Stockton! David, Hugh, and Stan and Marian (David's parents) have opened their home for this — Let's get down there — See the flyer herein!

June 29th — Western Star Dancers is hosting a Pre-Gay Day Dance at St. Paulus with our own locally renowned Jet Roberts as caller. This will be lots of fun!

June 30th GAY PRIDE DAY IN SAN FRANCISCO. Need I say more?!

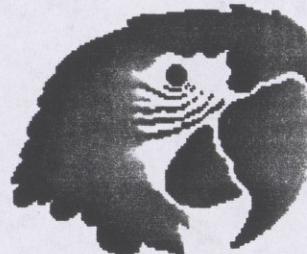

Please be aware that we are still dancing every Tuesday at William Land School through the end of June, as well as Wednesday, June 19. July is being negotiated as well, but no commitments on this yet (I don't see problems, though!).

JULY? Details later, but keep in mind the Folsom (Rich and Rick (or vice versa)) potluck swim party on July 13th and the Club Dance at the Barn (Orangevale) on July 20th.

"Nuf for now." Ain't this FUN? It's always good to dance with you!

See Ya Dancin'

for directions to a gay bar, the address given turned out to be the police station!

In two weeks we had no major problems or fights (which is remarkable for over a dozen queens!) and we're all looking forward to next year's "Diamonds In the Desert!"

## June Board Minutes

June 6, 1991

The meeting was held at Bill and Michael's home in Citrus Heights. Attending were Cindy, Bill, Rick, Rich, George, Hugh, and Mark. We were officially called to order at 7:20 M.

George told us that the new shirts had arrived and would be distributed at the graduation hoedown Saturday, June 8th, which is to be held at the school. Joe Kula will be the caller. There will be no potluck, but finger foods are welcome at the hoedown.

The next topic of discussion was the 1992 trip to Guerneville, which is tentatively scheduled for the last weekend in April (24-26). Originally the 17th -19th had been planned, but that is Easter weekend. The idea of turning this event into a "fly-in" was brought up. James Ozanich will be looking for callers in addition to Harlan. Tom Sache was unable to attend the meeting, but he had provided George with a summary of the "leg work" he has accomplished in finding an alternate resort for us in the event that Fife's is not available. The folks who manage Fife's also manage "The Woods," and they are interested in having us there next year. [They hope to sell Fife's.] The Woods facilities will accommodate 126 people at approximately \$40 per person for 2 nights of lodging. A dinner was not discussed. Indoor dancing is available during the day, but they

have a cover charge on Friday and Saturday nights, so our evening dancing would be outside.

George told enough wonderful stories about Convention to fill an entire newsletter. There were approximately 646 people there, and George heard no complaints. The CEO meeting is crazier than our own Board meetings, but George says the one in Miami went well. Many items were discussed during the 4-hour meeting, including IAGSDC's possibly passing on dues for a year as they currently have a large treasury and spend very little each year. They discussed changes in incorporation laws because of new non-profit and tax exempt laws this year in IAGSDC. George mentioned updating IGGY, which is the IAGSDC Resource Collection and Guide (a huge book).

Dancing for this summer will continue every Tuesday as long as attendance is good. Wednesday dancing at the school is scheduled through the 19th of June. We have the school definitely till June 25th. George says he doesn't see a problem with us dancing there through August. Harlan is asking about commitments and will call for us next week (June 11). Kris is looking to get a bit of a break from calling over the summer. Ron Maskers and Andy Shore have expressed an interest in calling for us occasionally next year.

Time slots for volunteers to work the CCS booth at the Freedom Fair have been filled; however, anyone still wishing to help out is welcome to show up.

The Portland fly-in is June 14-16. It sounds as though there will be about a dozen CCS members attending.

Hugh proposed that we have a "new members" hoedown in Stockton to increase club membership from that area. Advertising through the AIDS

Foundation and local bars was discussed. The event is tentatively scheduled for September 7th. Profits are to go to the AIDS Foundation of Stockton.

Summer potlucks have been scheduled as follows:  
June 22 at David and Hugh's in Stockton (BBQ — Bring your own Meat!)  
July 13 at Rick and Rich's in Folsom (Swim)  
August 10 at Bill and Michael's in Citrus Heights (Swim)

The Treasury currently stands at \$1,666.

Hope House has asked for financial assistance from CCS, so a decision was made to put aside profits from 50/50s at hoedowns for charities along with proceeds collected in a donation can.

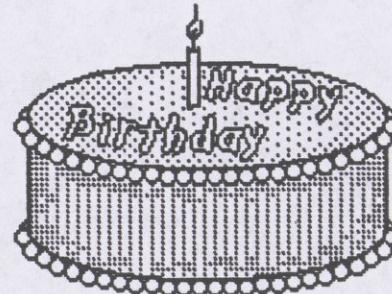

Bill passed out new copies of the CCS Bylaws with some minor changes he and David L. had made. The Board briefly discussed 8 different points of suggested addenda to the bylaws that Bill and David had prepared. These will be discussed in greater detail at the next Board meeting, which will be held June 25 at Rick and Rich's in Folsom. All Club members are welcome to attend. These meetings are a truly interesting experience!

## Dameon's Delights

Look out, Florida! Here we come! was how we walked down the ramp in Orlando. Not sure of what was in store for us, we were wound tight! We were soon delivered with bag and baggage to what turned out to be the sleaziest whorehouse in the USA! Too bad Glenn wasn't there: he's the only one I know who would have thrived on those parasites. We had two SLEEPLESS nights there, people screaming, yelling, and banging on the door until 4 A.M. Rory was all but ready to throw bodies over the balcony, but we decided that we didn't want to go to jail — so we called and threatened the management. Bonnie and Tami moved to another hotel. I tried to smoke a cigarette outside my door but quickly retreated inside with them banging to get in. Be advised — never stay at the Parliament House unless you want to orgy all night!

We thoroughly enjoyed Epcot Center, even though we had clouds and rain for 4 days — it was fun running in and out of restaurants every time we had a downpour. We, like all the tourists, bought yellow Mickey Mouse ponchos.

On to Miami — the Fontainbleau is a beautiful BIG hotel; it was easy to get lost at first. There was a huge shopping mall on the lower level, which I spent a lot of time going through — many rhinestones and sparkly things!

The off shore dance "ship" shrunk to tugboat size and

looked to be very crowded, but those who went had a good time.

Tami, Bonnie, and I drove from Orlando to Miami and managed to beat the bus, so check-in was relatively easy. I managed to get two adjoining rooms for the eight of us. We had a great time all living together, sharing closets and bathrooms. We immediately ran to the store and spent \$100 on junk food to help sustain us for 4 days.

The Trail-in Dance was great. Lots of high energy and seeing old friends again made for lots of hugging and kissing. The dancing rooms were good size, so we had plenty of room to kick up our heals and flourish to our hearts' content.

Our darling Glenda Sue started out with a bang the first night and his poor roommate, Brenda Louise, slept elsewhere. Glenn came to talk to me the next evening with great concern. Was it ok to sleep with the same man again? Even though it was out of character for him, I told him I thought it was ok. But did he have to get carried away and have sex on the Leather Tour bus? Really, Glenn!!

We had a few "sickies" during Convention. Michael was the worst; he was sick for 4 days and missed some of the activities. Rory was sick for a day, and so was Brent — must have been the food! Tami and Bonnie spent a lot of time by the pool and are very tan. They had bikini lines at Convention — but after our cruise to the Bahamas and their topless sunbathing, all lines were gone.

I usually like to tell all the trash from Convention, but as far as I know, Glenn was the only trashy bitch there [I have heard that Dameon himself could take the T B crown. ED.]. Of course, we have to take into consideration that half of our group were married couples: Kenric-Rory, Art-Jeff, Tami-Bonnie, Stuart-Rodney, Tony-Jesus. I think the rest of our little single darlings just did a lot of masturbating in the wee hours [Think again! ED.]. Del may have had more than the groping and fondling that was seen from a handsome young blond, and George was seen more than once being followed by a very handsome tight-assed young man. I think Stuart should get the "dangle" for dancing the most; every time I was out and about, he was in one level or the other dancing his ass off.

The Honky Tonk Queen Contest was the high lite of the Convention as usual. Those girls outdid themselves; what imagination for some the outfits! Joe, "Ms V.," from San Francisco was great — his dress was covered with clocks, "A Timeless Beauty." You should try to see some of the pictures that were taken. Kenric and Greg both took videos.

A group of 18 went on a 5-day cruise to the Bahamas. It was an unforgettable experience and is recommended for everyone to do. I did manage to have my shoes washed overboard, but other than that, no losses that I know of. We toured one island on mopeds, which was a festive experience — many breakdowns and spills. After tipping a native

## BRADLEY WHO? BRADLEY BELL--THAT'S WHAT!

Bradley Bell is a personal telephone directory of square dancers and their friends who are either members of gay square dance clubs or who just want to be listed in the directory. It is sorted in this order:

- First State or non-U.S. country
- Second City or geographical location of the club
- Third Alphabetical by first name of the subscribers

Listed will be your name, address, home phone number, and birthday. (If you don't want one of these data elements to be published, just don't give it to us.) There are no club affiliations indicated in order to avoid the confusion of people belonging to more than one club.

We even indicate whether or not you have an answering machine. We think this information will be helpful in deciding when to call. When you're hot, you're hot! Leave a message to let them know, even though the heat wave hit while you were in the office. Another benefit of subscribing to Bradley Bell is receiving a birthday greeting from the Bradleys--assuming you gave us your birthday to publish.

Who is publishing Bradley Bell. Members of the Bradley family, that's who. So, what's the Bradley family? A group of people who are close friends who are committed to square dancing, but who know how to have fun while being serious about it. We are members of the Shady Rest Dancers who are from Hooterville, USA (near Pixley). (Now, how do you like that Mz. Canada? That's an inside joke, folks. Sorry.) The six family members who are actually publishing THE Bell are (in order of age--our beauty is indefinable):

Mama Jo (Freeman Stamper)  
Suzie Jo (Sue Siegfried)

Janie Jo (Tom Tripp)  
Wynonna Jo (Eddie Smith)

Ina Jo (Garrett Peter)  
Blanchie Jo (James Ozanich)

Please don't cause us to make you feel unwanted by asking if you can be a Bradley. You are either born a Bradley or you're not. There's no such thing as membership; we are family.

We believe strongly in the community of gay square dancing. We are very social people, and, through Bradley Bell, we hope each of you will be able to keep in touch with others whom you meet at conventions and fly-ins.

What is all this "alternate name" stuff? Well, Bradley is our real names, but we have other names we use professionally. We think everyone should have two or three personae, and Bradley Bell gives you the opportunity to declare your real selves to the world. Nicknames and CB and BB handles fall into this category also.

Does it cost money? Yes, darlings. Believe us; the best things in life are not free. It's not expensive, though. Just \$1 for each name you want to list; \$3 for each directory you purchase; and a partial cocktail for shipping and handling. Checks are appreciated since they provide a receipt for you, but you may send cash if you feel comfortable sending small amounts of money in the mail. You can't buy the Bell with American Express; however, you can't buy it with any credit card. (So, there, Visa!)

The fourth edition of Bradley Bell is planned for publication the first of September, 1991. The number of subscribers is increasing each year, with over 250 subscribers last year. Current subscribers rave about the value to the Bell to their personal lives. Last year there were 59.5% renewals. Of the original subscribers in 1988, 26.5% were still listed in 1990. It's fun! It's exciting! It's useful! (And you can't even say that about a lot of tricks.)

We sincerely hope that you will want to be a part of this growing publication which is published annually in September. Feel free to make copies of the subscription form on the reverse and provide them to other members of your club and families.

Remember, with Bradley Bell, "You're just a yellowrock away."
